Dr K. Hidaka,
Director,
Ocean Research Institute,
University of Tokyo,
Hongo,
TOKYO, Japan

Dear Dr Hidaka,

Today I received the report of the I.O.C.
Meeting on the Kuroshio Investigation. Thank you very much
for sending this.

It seems to me that the meeting was very
important. None of the resolutions ask S.C.O.R. to undertake
any specific activity and therefore I shall do nothing unless
you think there is something for S.C.O.R. to do. I am sure
that I.O.C. and U.N.E.S.C.O. will ask S.C.O.R. for advice on
some of the resolutions and therefore I shall find the report
very useful.

Best wishes for 1964.

Yours sincerely,

(G.F. HUMPHREY)
President
