Dear Mr. Capurro, Sir,

It is with satisfaction, that your country nominated you as representative for SCOR. I do hope, that you are able to attend the next annual meeting in Naples, end of November. In the meantime I would like to inform you, that the other 30 member nations of SCOR established a national committee on oceanography. Could you please inform me, whether your country did the same or intends to do so?

A list of the existing National Oceanographic Committees is enclosed. Your cooperation will be very much appreciated.

Yours sincerely

Encl.
